

October 31 Friday Halloween + November 1 Saturday Día de Los Muertos

We're celebrating with a tiny **BITES** menu that's deliciously **SPOOKY**:

BLOOD ORANGE granita topped oysters

PUMPKIN roasted with jalapenos, cilantro + lime

BLACK GARLIC ice cream

PRICKLY PEAR margarita crafted with top shelf tequila

November 5 Wednesday

We're featuring **Stephen Cruz**, returning this time with a couple of beautiful Washington wines that are definitely worth coming out for. We'll have a complimentary pairing from the kitchen should you decide to give them a try.

December 3 Wednesday

We're so excited to welcome **Chris Little** back! He'll be joining us to pour and chat about something iconic from California. This stellar red and white pair would be an elegant addition to any cellar for the holidays.
